## Monthly Email September 2019

Dear Colleagues,

I am writing to you with the latest information from the LSCB. There are a lot of key policies here including the Threshold Document which sadly had to have yet another new link, fingers crossed, never again!

This will be the last monthly email as future ones will come from the new B&NES Community Safety & Safeguarding Partnership.

**If you have any problems opening a link to a document, either use Google Chrome or right click on the link and then click on 'save target as' and press save. From here you can then either open or save the document wherever you wish.**

**If there any documents embedded in the email document, please click on 'Enable Editing' to be able to open.**
