

# Does someone you know control how you're spending your money?

Financial abuse is when:

- Someone in your family or close to you takes your money or things without asking or
- You feel forced to pay for things for them or
- You're not allowed to spend your own money

If you're worried about you or a friend, please tell someone.

You will be listened to and your concerns will be taken seriously.

A man with short brown hair, wearing a light purple striped shirt, is holding a large white sign. The sign has the text "IF IN DOUBT SPEAK OUT" written on it in black, hand-drawn capital letters. The man's face is partially visible above the sign.

IF IN DOUBT  
SPEAK OUT
